Men of a Higher Standard Men’s Ministry desire is to provide an opportunity for men to minister and receive ministry that is beyond the scope of their individual church. Men of a Higher Standard Men’s Ministry’s vision is to help churches enhance their own men’s ministry. Our conferences are open to all and attract men from a wide variety of spiritual experience. Our conference provides a great setting for men to use their gifting and minister across the imaginary boundaries churches erect. Come and join us for an experience you will not forget.
